ORIGIN: WELLINGTON, SOUTH AFRICA

AWARDS: VERITAS AWARDS 2026 - GOLD

DUKE

*The wine you come home to,
the companion you enjoy
with every occasion*

WINEMAKING

Grapes, from specially selected Certified Heritage Vineyards planted in 1986, were picked at optimum ripeness. After de-stalking and crushing, the free-run portion was inoculated with a specific yeast strain, and cold fermented at 13°C. Primary fermentation was completed after 2 weeks, and the wine was kept on the fine lees for 2 months to enhance the mouthfeel. Thereafter it was fined, cold-stabilised and filtered prior to bottling.

Alcohol - 13.0%

FOOD PAIRINGS

barbequed chicken / leafy salads
creamy chicken pasta / Thai chicken curry
grilled fish / sushi

Pale-straw in colour, with a luminous clarity. Expressively aromatic, showcasing a medley of tropical fruits - guava, white peach, and ripe melon lead the way, layered with hints of pineapple, green apple and passion fruit. Bright and fresh on entry, with a balanced acidity that energizes the palate. The wine has a lovely fleshy texture and rounded mouthfeel, carrying through the tropical fruit profile from the nose - especially guava, peach, and melon. Fresh, fruit-driven, and well-balanced, with a polished structure and appealing drinkability.
